

Stay at urban hotel while creating your own project at center of Tokyo's art studio!

NOHGA  
HOTEL  
AKIHABARA TOKYO  
X  
AIR 3331

"NOHGA HOTEL AKIHABARA TOKYO," celebrating 3rd anniversary, presents a limited-time collaboration plan with "AIR 3331." Guests who choose this plan can immerse themselves in creative activities and art at the heart of Akihabara, enjoying "music, art, and cuisine" in various forms at NOHGA HOTEL AKIHABARA TOKYO. Additionally, they can focus on their creative endeavors and production activities at the artist-in-residence studio located in Kanda Iwamotocho (approximately 15-minutes walk from the hotel) while staying at the hotel. After concluding their activities in the studio, guests can relax in the sophisticated ambiance of NOHGA HOTEL AKIHABARA TOKYO.

In a world where urban living and the role of art are being redefined alongside evolving lifestyles, the AIR 3331 program will continue to challenge various forms of expression and support artists in their creative activities.

## ②AIR 3331

- AIR 3331について -

"AIR 3331" is an Artist-in-Residence (AIR) program that welcomes and supports artists, creators, researchers, and professionals from various fields, both domestically and internationally. It serves as a base for their stays, creative work, presentations, and activities. Located in the Kanda area, which includes the AIR 3331 studio, as well as neighborhoods like Akihabara, Ochanomizu, Bakurocho, and Ueno in eastern Tokyo, this program takes place in a city where Edo culture meets the international metropolis of Tokyo. To date, AIR 3331 has hosted participants from 40 countries, totaling 242 individuals (as of June 2023), making it the only facility in the heart of Tokyo that operates an AIR program. With its excellent accessibility, it serves as a hub for creative work and activities, providing a platform for artists to present their work and projects in the bustling Tokyo area, where many art enthusiasts and professionals gather. For more information, please visit the official website of AIR 3331. [<https://residence.3331.jp/en/>]

- Iwamotocho Studio&Gallery -

The Iwamotocho Studio (1st floor) is a shared studio space that can accommodate up to four people. Being located in the same building as the residence area and production studios, it provides an environment conducive to focused creative work. With a gathering of international creators, it is an ideal setting for networking among artists during their stay. It is also available for use as an open studio, offering flexibility in its utilization.
