

Terms, Rules, and Guidelines for the Dog-Friendly Terrace

Thank you very much for visiting Bistro NOHGA at NOHGA HOTEL UENO TOKYO.

To ensure a pleasant experience for all guests, we ask that you observe the following terms and rules when using the "Dog-Friendly Terrace." We appreciate your understanding and cooperation.

- Only dogs that have undergone basic obedience training (refraining from biting, excessive barking, jumping on people, and proper elimination habits) may accompany their owners. Please immediately stop any behaviors such as excessive barking or mounting.
 - Access is limited to indoor dogs that have received vaccinations against rabies and infectious diseases within the past year.
 - Please refrain from bringing dogs that are currently in heat.
 - Dogs must be kept on a leash at all times while on the terrace. Please ensure your dog does not disturb or harm other guests. You are required to bring your own leash.
 - Owners are responsible for the sanitary cleanup and disposal of their dog's waste.
 - Please note that dogs are not permitted inside the indoor facilities.
 - Please be aware that you may be asked to leave the premises if any information provided is found to be false or if these rules are violated during your visit.
 - You may be required to pay the full cost of repair or replacement for any facility property that is damaged, soiled, or lost.
 - In the event that your dog causes harm or damage to other guests, their pets, or their belongings, the parties involved are responsible for resolving the matter between themselves. Please note that the hotel cannot be held liable in such cases.
 - Please note that the hotel cannot be held liable for unforeseen accidents—such as injury, death, theft, or escape of your dog—occurring within the facility due to causes beyond our control.
 - Staff may ask you to relocate if your actions violate the rules above or otherwise cause a disturbance to other guests.
- Please follow any instructions given by the staff.

We appreciate your understanding and cooperation.
